

Center Creek and Daniel advocated to

Minutes of the meeting held in the City Council room October 24 1923 for the purpose of discussing running a power line to Daniel and Center Creek. Those present were E J Duke, John H Willis, J W Giles, James Ritchie, John Carroll, Arthur Bjorkman, J S Mc Donald, Joe Orgill, Joe Swain, S Frank Ryan and Mr. Plummer. I

It was decided that with what help the Supt. could give them that Daniel and Center Creek would pay what ever was right in regards to his expenses while running back and forth.

It was moved by John C Miller and seconded by James Ritchie that Heber Light and Power would extend their lines to the city limits and allow the people of Daniel and Center to connect on at that point. Heber Light and power was to take over and maintain the line after it was accepted by the Supt. The new line was to be built of 35 foot red pine poles.

Meeting held in the city council room Dec. 26 1923

The purpose of the meeting was to discuss the Daniel Power lines. Present were Thos. Prescott, E J Duke, John Willis, J W Giles, James Ritchie J.M Carroll, Wm E Horner, Arthur Bjorkman, Joe Swain, Jos. Orgill, L C Montgomery.

It was decided to accept and take over the line and charge the people of Daniel one dollar (\$1.00) minimum charge and then .11¢ per KWH and if this was not enough for safe maintainance then it would be raised. Line was to be tried out for one year to see how things turn out.

Note: At this time wire cost 11/2 cents per foot
